

YNHH Emergent Hemodialysis Guideline

*AED Charge RN to notify the following for the need of emergent dialysis and for need of MICU overflow bed:

1. RSU
2. HD
3. MICU Charge RN

Any report/handoff **MUST include the need for urgent HD

Patients being dialyzed in MICU will be prioritized based on urgent versus emergent
Call BMD to hold medicine bed for transfer post dialysis for Emergent Cases from Y-Access or AED

¹Overflow Bed= Non-MICU RN staffed bed
