## ***Yale New Haven Hospital : Emergency Services*** **Treating Resident Physician as a Patient** **Guideline**

Original: 08/2020  
Last Reviewed: 08/20

### **Purpose:**

To provide care guidelines for care of resident physicians who seek treatment as patients within the emergency department.

### **Guidelines for Care:**

- A. When a resident physician presents to the emergency department as a patient:
  - a. Assessment and care will be performed by an attending physician or advanced practice provider whenever possible.
  - b. Other physician trainees / resident physicians will not routinely participate as a member of their care team
  - c. Will be prioritized to be seen in rooms over hallway locations.
